Spring and Easter have two things in common; they both reflect life from death. The cold harsh winter is transformed into new, fresh and beautiful life. As with our Lord Jesus, though He was crucified and there was great despair, He rose up from the dead and came back to life of His own accord. Two thousand years on, His life continues to awaken us and inject fresh life and purpose into our own as we follow Him. Why not come and reflect on this amazing transformation of life from the dead in one of our Easter services? (dates below)

Malborough is also buzzing with all kinds of activity. Our Chapel has been making some transformations of its own with a new kitchen and fresh faces joining us for **monthly luncheons**. If you are lonely and don't get out much you are welcome at our table to enjoy an excellent hot lunch with irresistible desserts and coffee & tea to follow.

Locally renowned artist, **Graham Fish**, will be sharing about his amazing artwork and how he is inspired. A short video, produced by the BBC, will be projected and Denis King will invite Graham to talk about his work. Examples of Graham's art will be on display as well as other thought provoking and inspiring pieces from the local art club. If you have any interest in art, or dabble yourself, don't miss this event, **'Art & Faith', on the 16<sup>th</sup> April at 7-9pm at the Chapel** (*please note that this event was advertised for March and has moved forward*). Snacks and drinks provided. All welcome!
